

**Time Federal Savings Bank Credit Card Disclosure Agreement
(VISA Classic, VISA Gold)**

These regulations are effective January 5, 2011. In these regulations, the words you and your mean each and all of those who applied for the card. Card means your VISA credit card issued by Time Federal Savings Bank and any duplicates or renewals we issue. Account means your VISA credit card account. We, us and our mean Time Federal Savings Bank.

1. Responsibility. If you apply for and receive a card from us, you agree to these regulations. You also agree to repay all debts and any **FINANCE CHARGE** or any other fees or charges arising from the use of the card and the card account. For example, you are responsible for charges made by yourself, your spouse and minor children. You are also responsible for charges made by anyone else to whom you give the card, and this responsibility continues until you recover and return the card to us. Except to the extent allowed by law, you cannot disclaim responsibility by notifying us and it continues even though an agreement, divorce decree or other court judgment to which we are not a party may direct you or one of the other persons responsible to pay the account. Any person using the card shall be jointly responsible with you for charges he or she makes, and if that person signs the card, and receives a copy of these regulations, he or she is also responsible for all charges on the account, including yours.

2. Credit Line. We will establish a Credit Line for you and advise you on its amount. You agree not to let the account balance exceed the Credit Line. We reserve the right to reduce your Credit Line from time to time, or to revoke your card without affecting your obligation to pay the account balance. The cards remain our property, and if we request you must recover and surrender to us all cards we have issued on your account.

3. Finance Charges. Your account will be subject to a **FINANCE CHARGE** for any statement period during which you failed to pay in full the Previous Balance shown on the statement during the first 25 days of the statement period. The interest portion of the **FINANCE CHARGE** is calculated by applying the following monthly periodic rates to the "average daily balance" of your account:

Purchases:	0.825% per month (9.90% ANNUAL PERCENTAGE RATE)
Balance Transfers:	0.825% per month (9.90% ANNUAL PERCENTAGE RATE)
Cash Advances:	0.825% per month (9.90% ANNUAL PERCENTAGE RATE)

Purchases and Balance Transfers (Method G) Average Daily Balance (including current transactions). To avoid incurring an additional **Interest Charge** on the balance of purchases reflected on your monthly statement and on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date. The **Interest Charges** for a billing cycle are computed by applying the monthly Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Cash Advances. (Method F) Average Daily Balance (including current transactions). To avoid incurring an additional **Interest Charge** on the beginning balance of cash advances reflected on your monthly statement, you must pay the Beginning Balance shown on your monthly statement on or before the Payment Due Date. No grace period is provided for current cycle transactions. The **Interest Charges** for a billing cycle are computed by applying the monthly Periodic Rate to the "average daily balance" of cash advances (and if applicable, purchases). To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid interest charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

You can avoid any **FINANCE CHARGES** on purchases by paying in full the New Balance shown on your monthly statement within 25 days of the statement closing date. Each cash advance will be subject to a **FINANCE CHARGE** (cash advance fee) of 2% of the face amount of the cash advance or \$2.00, whichever is greater (maximum \$20.00).

4. Penalty Fees. Your account will also be subject to the following additional fees:

- a. A **Late Payment Fee of up to \$10.00** for any statement period in which you fail to pay at least the Minimum Payment described below within a minimum of 15 days after the payment due date.
- b. A **returned check fee of up to \$15.00** will be assessed as a purchase if we receive a check that is presented for payment to your VISA account which is returned unsatisfied because you do not have an account with the financial institution, your account does not have sufficient funds in it, or you do not have sufficient credit with the financial institution.

5. Monthly Statement; Minimum Payment. We will mail you a statement every month showing your Previous Balance, the current transactions on your account, the remaining regular credit available under your Credit Line, the New Balance, and the Minimum Payment due. Every month you must pay at least the Minimum Payment within 25 days after the date of your statement. If you fail to pay the minimum payment within 15 days after the due date, your account will be subject to a **Late Payment Fee in the amount of up to \$10.00**. You may of course, pay more than the Minimum Payment, or pay the New Balance in full and you will reduce or avoid the **FINANCE CHARGE** by doing so. The Minimum Payment will be applied as follows: a) any unpaid finance charges on cash advances; b) any unpaid finance charges on retail purchases; c) any past due principal on cash advances; d) any past due principal on retail purchases; e) any finance charges due on cash advances; f) any finance charges due on retail purchases; g) principal due on new cash advances; h) principal due on any new retail purchases including late charges, and any other fees; i) remaining balances on cash advances; j) remaining balances on retail purchases.

A Minimum Payment is required for every statement period and any additional amount received, if sufficient, may be used to satisfy the next required minimum payment amount. Your Minimum Payment will be the full amount by which your regular New Balance exceeds your credit line, plus 3% of your New Balance or \$20.00, whichever is greater, or your full New Balance if it is less than \$20.00.

6. Payment Crediting and Credit Balance. Payments received by 5PM EST at the location specified on the front of the statement after the phrase "**Please Mail Your Payments to**" will be credited as of the date of receipt to the account specified on the payment coupon. Payments are not processed at any location of Time Federal Savings Bank. Any payments received at an office of Time Federal Savings Bank are mailed to our service provider for processing. Payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request, in writing, a full refund. Submit your request to Time Federal Savings Bank, PO Box 239, Medford, WI 54451-0239. By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain its image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date. The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Negative Credit Reports. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

7. Default. You will be in default if you fail to make the Minimum Payment on time 2 times during any 12 month period. You will also be in default if your ability to repay us, or the value to us of your security interest, is materially reduced by a change in your employment, an increase in your obligations, your failure to abide by these regulations, or the fact that you or your spouse dies, changes domicile or marital status, or becomes the subject of bankruptcy or insolvency proceedings. We have the right to demand immediate payment of your full account balance if you do not cure your default within 15 days after we send a written default notice. We have this right, without notice, if the default is your 3rd within 12 months and we notified you of the prior 2. In addition, if you are domiciled in Wisconsin, to the extent not prohibited by law, the account will terminate (and your privilege of using the Card will cease) on the day we receive written notice from your spouse terminating the account; but you and your spouse, to the extent not prohibited by the law, remain responsible for all amounts debited to your account (including finance charges) both before and after receipt by us of such notice of termination. Upon such a termination, we may demand immediate payment of your full account balance.

Your privilege of using the Card and the account will expire on the date shown on the Card. You may terminate your account relationship with us at any time by surrendering to us all of your Cards but you will remain liable to us for full payment of any balance of your account. We may revoke your Card at any time without prior notification and without affecting your obligation to pay the account balance.

8. Governing Law; Security Interest. Each purchase and cash advance through your account constitutes a loan made by us to you in the state of Wisconsin. You agree that the Wisconsin Consumer Act applies to all these loans (except for the rate of FINANCE CHARGE which may be governed by federal law) even though you may use them for business purposes, or you are a person not otherwise covered by the Act. To secure each purchase loan, you grant us a security interest under the Uniform Commercial Code in any goods you purchase with it. If you default, we will have the right to recover any of these goods which have not been fully paid for through our application of your payments in the manner described in Section 422.418(3) and (4) Wis. Stats. If you give or have given us any other security interests for all your debts, your account will also be secured by the property described in those security agreements (except for your home and the personal property, home furnishings, appliances and clothing described in Section 422.417 Wis. Stats., and when your account balance is less than \$1,000 except for other real estate).

9. Foreign Transactions. Purchases and cash advances you make in foreign countries and foreign currencies will be billed to you in U.S. dollars. The conversion to dollars will be made by the foreign plan member's bank in accordance with the applicable VISA operating regulations for international transactions.

Foreign Transaction Fee – 0.8% of the transaction amount on foreign transactions where there is no currency conversion. 1.0% of the transaction amount on foreign transactions if there is a currency conversion.

10. Plan Member Disputes. We are not responsible for the refusal of any plan member or financial institution to honor your card. You must resolve directly with the plan member any disputes regarding goods or services you purchase with the card, unless (a) your purchase was made from us or an affiliate or in response to an advertisement we sent or participated in sending you; or (b) your purchase cost more than \$50 and was made from a plan member in your state or within 100 miles of your current mailing address.

11. Use. If you are married or domiciled in Wisconsin, you represent that all transactions through your account will be incurred in the interest of your marriage or family. You authorize us to pay for your account all items reflecting purchases or cash advances made with the Card or Convenience Check in spite of the absence of your signature on a sales draft or the lack of presentation of the Card. By giving your Card or Convenience Check to someone else you authorize all purchases and cash advances made by that person until you have notified us that future transactions are unauthorized.

Notify us at once at 800-325-3678 of any loss, theft, disappearance or possible unauthorized use of your Card or any Convenience Check.

12. Change of Address. We will send all account statements and any other notices or communications concerning this account to your address as shown on our records. If you change your address, you must notify us of your new address within 15 days.

13. Effect of Regulations. These regulations are the entire contract which applies to all transactions on your account even though the sales, cash advance or credit slips you sign may contain different terms. We may amend these regulations from time to time by sending you advance written notice. Your use of the card or the account thereafter will indicate your agreement to the amendments. To the extent the law permits, and we indicate in our notice, amendments will apply to your existing account balance as well as to future transactions. Our delay or failure to exercise any of our rights is not a waiver of those rights, and no waiver or modifications of these Regulations is valid unless it is in writing and signed by us. You authorize us to investigate your credit standing at any time and to disclose to others information relating to your credit experience with us.

BILLING RIGHTS SUMMARY

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at Customer Service, PO Box 30495, Tampa, FL 33630. In your letter, give us the following information:

- Account information: Your name and account number
- Dollar Amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing (or electronically). You may call us, but if you do, we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing (or electronically) at Customer Service, PO Box 30495, Tampa, FL 33630. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
